Customer Support 24/7

Will your supplier be there for you?

At Martin Williams (Hull) Ltd we are proud of the fact that we won't let you down day or night 7 days a week! Our service doesn't stop once your new vehicle is delivered, we offer a complete after sales service to all our customers.

Our dedicated team of 6 mobile service engineers in fully equipped vans are capable of carrying out repairs where and when you need them, saving you valuable down time and reducing cost. To support this we have a network of approved repairers across the UK so you will never be far from one of our service points.

Our mobile service engineers can carry out any of the following:

- Tail lift inspections, servicing and LOLER testing
- Body inspections, repairs and service
- Electrical repairs
- Onsite servicing and repairs
- Breakdown support
- Recovery

We can also offer National Vehicle Accident Repair Management, getting your damaged vehicle back on the road is a priority for us. Working with our strategically placed network your vehicle will be back in service with the minimum of delay.

With over 25 years of experience and a 50,000 sqft manufacturing facility our highly skilled workforce is capable of looking after all your requirements.
